JOURNAL
27 May 1982.

Arthur Cairns was a long time member of Technocracy Inc., dating from the mid-1930s. A war veteran and latterly an invalid in the Veterans' Home, he maintained his interest in the organization to the end. Members from the Edmonton Unit visited him from time to time and seldom were able to leave without a generous gift in the form of a cheque on his limited means. He also contributed to the Technocracy Digest over and above his long time subscription to the magazines.

Mr. Cairns maintained his status as Member-at-large, even though a Unit had been established in Edmonton, in order that he would receive all mailings from CHQ - such was his interest.

To Arthur Cairns - a last salute!

SUBJECT: Your inquiry of April 29/81 re Arthur Cairns address.

1. Yesterday Jack Gregory and I visited Arthur Cairns at his continuing address:

C. A. Cairns,
Veterans' Home,
11440 University Ave.
Edmonton, Alta.
T6G 1Z7

2. It appears from his room ticket that he is 98 years old. As you may know, he has lost both legs, and is bed-ridden most of the time, occasionally making it to a wheel chair.

3. Upon our arrival he busied himself with making out a cheque for $100 as a donation to the local operations. He does this each time we visit him, which has been 2 or 3 times a year. He is certainly a persistent and loyal member. He says he joined at the first tour that Scott made through Edmonton. Was that 1934? He is quite deaf and our communication was not the best.

4. We suggested that he transfer to our Unit, from his present MAL status. He declined to do this, as he values very highly the direct communications, such as general mailings, that he gets from CHQ, as an MAL. We think it best to leave it that way. He could not seem to find his membership card for this year. Was it issued?

Mr. Arthur Cairns,
11440 University Ave.
EDMONTON, Alta.
T6G 1Z1.

Greetings Mr. Cairns,

We hope this letter finds you well after your spate in the hospital.

We wish to thank you for cheque for $100 which you sent us - $6 for your subscription and the rest as a donation. We have put the money in a Gift Fund to be used to send out more complimentary subscriptions, and hope this meets with your approval.

Yes, it is too bad that The Technocrat is no longer printing, but the people down at Long Beach are still very active. They recently sent us a communique where they are enlisting every Technocrat's aid, whether in the Long Beach area or not, for a mailing campaign to everyone in the area. It's the only thing we can do now - saturate every area we can with literature. That is worth thousands of dollars to us in advertising. It may not pay off immediately in interest in the organization, but when the chips are really down these people may remember us. It is remarkable what people remember when they are down and out.

Thank you so much again for your generous donation. We do hope you keep well. Edmonton is probably very appreciative of all you do for them too. Thanks again.

SUBJECT: Address: C. Arthur Cairns.

1. The letter to C. Arthur Cairns which was returned to you annotated "No Such Address" and which you passed to us for delivery, had a small error in the address. The street number is 12948, not 12048, in case you want to correct your records. The Postal Code alone should have been sufficient to deliver the letter, as it is exclusive to the apartment block involved. It doesn't take much to baffle our postal service. Perhaps it was a new man on the 'walk'.

2. The address is actually that of Cairns' granddaughter. He is 96 yrs. of age and has been recently in the Glenrose Hospital waiting for re-fitting of artificial lower legs. I contacted Elizabeth Cairns just now and she advises he has been transferred to the Veterans' Nursing Home. She asks that I forward the letter to her.

3. Over the last couple of months both Ross Deacon and myself visited Cairns at the Glenrose. He had contacted my home by phone and said he had a donation to be picked up. True enough, he gave Ross a cheque for $120 and seemed to think he would be following it up with further donations. A couple of weeks later I took the receipt up to him. He is in good spirits and very much a Technocrat. He seemed very interested in getting our Newsletter and Calendar. Of course he is on our mailing list.

1. We received your membership card and copy of the Bylaws on 1st September, and held it here in case you dropped by. Rather than wait any longer we are mailing it to you. Please notice that there is a place for the Member's signature.

2. We are continuing our schedule of public meetings on Tuesday evenings at 8 pm, although the response is disappointing. I guess people are persuaded by the media and other official sources that there will be a big turn-around in the near future.

3. We will maintain our program in any case, using all the help we can get.

Thanks for returning my cheques. I've been in a terrible financial situation lately due to getting divorced + Federal tax department has filed a 3rd party demand against my investment income so I will have to go back to work in the fall.

I'm sorry I'll have to discontinue support for Technocracy.
